WELCOME TO FEAMISH BUSINESS SOLUTIONS

At Feamish Business Solutions, we are more than just a service provider—we are your strategic partner in navigating the complex world of company incorporation across the Middle East. With over 8 years of proven expertise, we specialize in helping businesses establish a robust presence in key markets including Oman, Qatar, UAE, Saudi Arabia, and Bahrain.

Our deep understanding of the region's regulatory environment allows us to offer tailored solutions that address your unique business needs. Our comprehensive suite of services includes:

Company Formation and Registration: We guide you through every step of setting up your company, from choosing the right business structure to securing necessary approvals. Our process ensures that your company meets all local requirements, setting a strong foundation for your business.

Business Licensing and Permits: Navigating the maze of local regulations can be daunting. We simplify this process by handling the acquisition of essential licenses and permits, ensuring that your operations are compliant and ready to go.

Visa and Immigration Services: Whether you are relocating employees or starting new ventures, our visa and immigration services are designed to facilitate smooth transitions. We manage all the paperwork and legalities, allowing you to focus on your core business activities.

Corporate Compliance and Governance: Maintaining adherence to corporate laws and regulations is crucial for long-term success. Our team offers expert advice on corporate governance, helping you stay compliant with local laws and industry standards.

Our commitment to excellence and innovation is at the heart of everything we do. We pride ourselves on delivering exceptional service that is both reliable and efficient. By choosing Feamish Business Solutions, you benefit from:

Unparalleled Regional Expertise: Our extensive knowledge of the Middle Eastern market ensures that you receive the most accurate and relevant advice.

Tailored Solutions: We understand that every business is unique. Our solutions are customized to fit your specific requirements, ensuring that your company's needs are met effectively.

Commitment to Success: Your success is our priority. We work closely with you to drive your business forward, providing support and guidance every step of the way.

With Feamish Business Solutions by your side, you can confidently embark on your business journey in the Middle East. Let us help you navigate the complexities of company incorporation and establish a strong foothold in one of the world's most dynamic regions.

Muhammed Shafi is the Managing Director of Feamish Business Solutions, a leading consulting firm headquartered in Oman. With over 10+ years of experience, he has forged strong connections with key officials in the Government Ministries of Oman, Qatar, UAE, Bahrain, and Saudi Arabia, as well as with prominent business communities. Under his leadership, Feamish Business Solutions has achieved remarkable growth and success in GCC. Building on this success, Muhammed Shafi has expanded Feamish Business Solutions with branches in Oman, Qatar, UAE, Bahrain, and Saudi Arabia.

The company has grown its client base and diversified its service offerings, positioning itself as a leading consulting firm in the region. Muhammed Shafi brings extensive experience in advising clients on business strategy, market entry, financial modeling, and performance improvement. His expertise spans various industries, including healthcare, retail, logistics, and construction. He has been instrumental in helping new startup businesses in GCC countries identify growth opportunities, optimize their operations, and enhance their revenue streams.

Muhammed Shafi's exceptional marketing skills have been pivotal in establishing Feamish Business Solutions' brand in GCC. He has spearheaded numerous marketing campaigns, strengthening the company's market presence. Additionally, his outstanding operational skills have streamlined company processes and improved operational efficiency. By implementing various tools and systems, he has ensured the delivery of high-quality services to clients.
